

Applying for a Grant

Before applying for a grant you must determine whether the idea is eligible for funding. Call Alyssa Calvanese at 860-621-9335 for guidelines.

Once it has been determined that your project is a consideration for funding, please submit a proposal in writing. Grants are awarded in November following the Foundation Fund raising events. Applications for grants should be submitted on or before September 1st. Applications that fit the established guidelines will be considered at the Board of Directors meeting for approval. Organizations will be contacted on the approval of the grant.
